China International Exhibition Center Group Corporation Construction Company (CIEC Construction) is a wholly owned subsidiary of CIEC. The company's main businesses involve general planning, designing, manufacturing and installation, and on-site services for exhibitions and conferences at home and abroad.

We have been in the exhibition industry since 1952. During these decades, we have undertaken major exhibition projects hosted by the Chinese governments across the globe; we have also designed and constructed China Pavilions of world expos and international trade expos. As for foreign major trade exhibitions, we also provided design and construction services. "By Exhibition We Are Born, for Exhibition We Flourish" is our mission statement

CIEC Construction is the member of China Chamber of International Commerce (CCOIC) and China Association for Exhibition. We possess the first -class certificate of exhibition construction issued by China Association for Exhibition, the integrated qualification in exhibition design and construction, and the member qualification of Chinese Museum Association. Our company has established the ISO9001:2018 quality management system approved by TÜV Rheinland.

DEIZ MESSE SERVICE, founded in 2012, is a local 4A creative company in China that specializes in business exhibitions and roadshow events within China, Europe, America, and the Asia-Pacific region. We are guided by the principle of "Focused Design and Quality," committed to crafting effective integrated exhibition marketing services for our clients.

With a focus on serving Fortune 500 companies, we have provided comprehensive exhibition marketing solutions to prominent clients such as Standard Chartered Bank, UPS, JLL, PWC, Ernst & Young, Stryker, TÜV, BioMérieux, Nongshim, and more. Our services have garnered widespread praise from clients, industry peers, and the media. Our success stories have not only been showcased at major events like the China Import and Export Fair, China International Consumer Electronics Show, CES, AWE, and MWC, but also recognized at the Shanghai International Advertising Festival and TOP DIGITAL awards.

DEIZ MESSE SERVICE is a member of the China Exhibition Hall Association, a director unit of the Shanghai Federation of Industry and Commerce Exhibition Chamber, a member unit of the Shanghai Convention and Exhibition Industry Association, and holds the position of Executive Vice President at the Hainan Convention and Exhibition Association. Our mission revolves around using effective insights and creativity to drive the growth of client businesses and brand marketing. Our vision is to be the first-choice, creative, and effective integrated advertising and marketing partner for clients. Our values are centered on in-depth insights, effective creativity, and continuous excellence.

Beyond exhibitions, our parent company, DEIZ Creative, provides professional full-service marketing (advertising creativity) to clients, encompassing strategy, end-to-end solutions, and both online and offline promotion. We have consistently secured various awards in the integrated marketing category, including the Shanghai International Advertising Award, Top Digital Award, and China Innovation Communication Award.
